

GLCAC and PCAC Pottery Studio  
Firing Fees

Any member or person who has taken at least one hand-building or wheel-throwing class, and has used PCAC clay and underglazes, may fire independently-made work at the art center. The fee schedule, per firing, is as follows:

- 1-2 pieces that are 10 inches or less in height and width: \$ 5.00
- 3 or more pieces that are 10 inches or less in height and width and can be placed on one level (2 shelves) in the Kiln: \$10.00
- 1 single piece between 10 inches and 20 inches in height or width : \$15.00
- Several pieces that take up more than one level and are 10 inches or less in height or width or any combination that will fill the entire kiln: \$25.00

A template will be available so that you can set your items on it to see if they will fit on one level. Please keep in mind that glaze firing requires that items be a minimum of 1 inch apart and one inch from side walls.

We will do our best to fire your work in a timely fashion, but please understand that we will not fire the kiln until it is full, or at least until the items to go in have reached the \$25.00 firing fee level.
