

Silver Membership

Thank you for becoming a silver level patron member of the **Greater Livingston County Arts Council!** Your membership helps GLCAC to provide opportunities for growth and appreciation of the visual fine arts in our area. You help us bring regular gallery shows presented in our upstairs Joe Bailey Gallery, provide affordable classes, demonstrations, and workshops (sometimes even free!), offer a gallery of fine art for sale by local artists, offer the annual Swinging Bridges Arts Festival, and many other art activities!

Enclosed is your membership card for 2022. Along with helping with general support of GLCAC, you will receive:

- an electronic invitation to all art show receptions
- an electronic invitation to all public GLCAC activities.
- 10% discount on all purchases
- 10% discount on all classes for the primary cardholder in your family
- GLCAC Newsletters
- An invitation/access to Open Studio times (one afternoon and one evening per month)

If you are interested in becoming an active volunteer at the art center, please stop in and talk to us!

Again, thank you for your support, and we hope to see a lot of you this year!

Regards,

GLCAC Membership Committee
